

FARMER KILLED,
SON HURT AS CAR
HITS TRACTOR

Howard Baugher, 33, Hanover R. 3, was fatally injured Friday evening when a car driven by Frederick J. Miller, Third and South streets, McSherrystown, crashed into the rear of Baugher's tractor while both vehicles were proceeding north on the Hanover-Abbottstown road a little over a mile south of Abbottstown at 9:20 o'clock.

Baugher died this morning at 6:50 o'clock at the Hanover General hospital, of a severe fracture of the skull, according to York county coroner, Dr. L. U. Zech.

His son, Kenneth Baugher, 3, who was also riding on the tractor, suffered head injuries and was treated at the Hanover hospital. He was discharged today.

Wheel Knocked Off Tractor

Miller told Private Harold Sheads, of the local sub-station of the state police that he was driving toward Abbottstown when he saw a light on his side of the road, which he believed was coming toward him. Miller pulled to the right, fearing that the other driver would pull over into the other lane, and struck the right rear wheel of the tractor, knocking it off. Baugher and his son were thrown from the tractor as a result of the accident.

Witnesses at the scene said Baugher was conscious after the collision, but by the time he had reached the Hanover hospital he had lost consciousness and never regained it.

Witnesses said they believed that Baugher was driving to a nearby farm to secure a wagon there. He was north of his home along the Abbottstown-Hanover road when the accident occurred.

Damage was estimated by Private Sheads at "several hundred dollars." He is continuing his investigation into the accident.

Mr. Baugher is survived by his wife and father. A Glen Rock undertaker is in charge of the funeral arrangements which are incomplete.

COUNTY SAILOR
RAPPS STRIKERS

Donald P. Shetter, son of Mr. and Mrs. Ralph Shetter, Biglerville, now serving as quartermaster on a destroyer somewhere in the Marshall islands area, is another serviceman who is finding it difficult to sympathize with war-plant strikers.

In a letter to his parents, Seaman Shetter wrote:

"We get the news over the radio every day. On the average there is always something about strikes. You know what should be done with the guys who cause those strikes. They should be treated like a Jap."

"I've seen enough to know what it's all about. If the people that strike would have to come out here awhile, they sure would change their mind about striking all the time."

"Why We Fight"

"We have plenty of kicks on the ship, just the same as on any other one. Do we strike? No sir! We take it on the chin and forget all about it. We know what we are fighting this war for. When I get to thinking about how the workers of all these concerns are acting, I wonder why we fight. Why don't we lay down on the job like they do?"

"I'll tell you why. If we would our lives wouldn't be worth two cents, and I'm not kidding. No doubt some of us won't come back, but every single one of us is planning on the future, the day when all this will be over, and we will be able to come back to our sweethearts and loved ones. No, I'm not a preacher, but I mean every word I have said."

Greyhound Driver
Given Safety Award

Paul C. ASKS CHILDREN
TO PICK FLOSS
OF MILKWEED

Adams county's school children were asked today to take part in a nation-wide drive to gather a million pounds of milkweed floss during the summer. County Superintendent of schools J. Floyd Slaybaugh has announced.

"The common milkweed floss, because of its buoyancy which is necessary for life jackets and aviators' suits, has now become a war emergency product," Mr. Slaybaugh said. "It is a substitute for kapok which is now controlled by the Japanese. A government agency has been set up to collect and process a million pounds of milkweed floss this summer."

Vacation War Activity

"Certain sections of Pennsylvania have this common weed growing along roads, fence rows and abandoned farms. Commercial growing of the milkweed would be impossible as it takes three years to produce the first crop. The government is, therefore, appealing to the school children of the nation to gather a million pounds of milkweed floss during the coming summer."

"This is a war activity in which children can engage during their vacation months. It would require only a small amount of time and effort and would be contributing much toward the war effort."

"The United States Department of Agriculture and the United States Office of Education have distributed printed material to teachers and county and district superintendents. Local teachers and the county supervisor of agriculture, Richard C. Lighter, will be able to advise the school children as to the collecting, curing and storing of these pods until they are collected by the government," he added.

To Add Names To
County Honor Roll

While the Adams county honor roll will present an improved appearance for Memorial Day, with plans calling for its repainting of the railing placed around the structure on center square, more than 100 additional names of men in the service will not be available for placing by May 30, it was revealed today.

Several hundred names have been added to the roll during the last several weeks by a group of workers under the direction of Custodian Alfred H. Barr, but additional names ordered to be printed will not be available for placing by Memorial Day, it was learned. As soon as the names are received from the printer they will be placed on the board, it was said. Most of the names have been rearranged, with the center part of the honor roll completely filled and the east wing nearly filled with names. Additional names will be placed in the remainder of the east wing and the west wing.

Because it was impossible to place all of the names in the original alphabetical list, several alphabetical lists were placed on the board, it was stated.

BIRTH ANNOUNCEMENTS

County Soldier Is
Wounded In Action

Word has been received that Pfc. Donald I. Moose, son of Mr. and Mrs. Charles Moose, Aspers R. D., has been wounded in action in Italy.

Pfc. Moose, who attended the Biglerville schools, was inducted into the infantry on March 7, 1943. He received his basic training at Fort Jackson, South Carolina.

Last September Pfc. Moose was sent overseas. He has been stationed in Italy since January.

Prior to his induction he was employed as a machine operator at the Rice, Trewe and Rice plant at Biglerville.

REELECT KANE
AS DEMOCRATIC
CO. CHAIRMAN

Carl W. Kane, Biglerville R. 2, was re-elected chairman of the Adams county Democratic party for the third consecutive term Friday evening at a meeting of the Democratic committee at the court house.

Previous threats of opposition by Democratic party leaders seemed to have been ironed out prior to the session with Mr. Kane unopposed for the post.

Continuation of the Roosevelt administration was stressed by the re-elected chairman as the "only way to insure a sincere and lasting peace," in his address of thanks to the committee for his election.

Asks Ticket Support

Mrs. Maude V. Baker, Cumberland township, was elected vice chairman and Harry L. Cratin, Littlestown, was re-elected treasurer. Seb. H. Weaver, McSherrystown, was re-appointed secretary. The executive committee of the party will be announced at a later date, it was stated.

A fourth term for President Roosevelt, and support for George Little for state assembly and Josiah Gitt for congress was asked by the chairman.

2ND DISTRICT
S.S. MEETING

The annual convention of the Second Sunday school district will be held in Zion Lutheran church, Fairfield, Sunday evening beginning at 7 o'clock.

The convention will open with three simultaneous group conferences as follows: Adult conference, conducted by Robert W. Mowry, president of the Franklin County Council of Christian Education; conference for Children's workers, under the leadership of Mrs. Lloyd Garretson of the county staff; conference for Young People, directed by Charles Lott, president of the Adams County Christian Endeavor Union. Persons attending are requested to go directly to the group of their choice.

At 8 o'clock the group will assemble in the church auditorium at which time the new district officers will be installed by Charles Gentzler, county president. After the installation the Mennonite Men's chorus, under the direction of Arthur Roth, will render several selections. The chorus is composed of men from the Fairfield and Mummisburg churches. Mr. Mowry will then conduct an open forum on general Sunday school work.

MARKETMEN SEE
BENEFITS FROM
SHOWERS TODAY

Quantities of lettuce and spinach, the first of the season at the Farmers' market house, disappeared rapidly this morning as the demand for many spring vegetables exceeded the supply. Farmers were greatly cheered by the shower early this morning, some saying it had arrived in time to save the strawberry crop and others pointing out that all garden and truck products will be greatly aided by the needed rain.

Lettuce sold at 10 and 15 cents a quart box. The home-grown spinach sold for 15 cents a quart and white and red radishes at five and 10 cents a bunch. Onions were five cents a bunch and rhubarb brought 10 cents a bunch at most stands. Limited amounts of asparagus sold at 25 cents a bunch.

Plants In Demand

Only the earlier shoppers found sweet potato sprouts that sold at 75 cents per hundred. Pepper plants were two cents each at some stalls but elsewhere sold at eight cents for a half dozen. Cabbage and tomato plants were offered at 15 cents a dozen but one grower offered large tomato plants almost ready to blossom at eight and 10 cents apiece. Sage plants were 15 cents a dozen.

Buttermilk could be had at 10 cents a quart. Cottage cheese was 40 cents a quart and home-made potato salad, 35 cents a quart.

Potatoes were \$2 per bushel but the demand was light. Eggs ranged in price from 30 to 35 cents a dozen. Fryers continued at the new price they reached last week — 60 cents per pound, dressed weight.

Iris of many shades predominated among the cut flowers on sale.

Wounded Countian
In Hospital In W. Va.

Pfc. Bernard Stonesifer, son of Bernard Stonesifer, Littlestown, who was wounded in action with the Fifth Army in Italy in January, has arrived at the Ashford General hospital, White Sulphur Springs, W. Va., according to telegrams received by his father and by his grandmother, Mrs. Lucy Milhines, Littlestown. He had been a patient in a hospital in Italy and had been confined to a hospital in North Africa before being brought back to the United States.

Pfc. Stonesifer's brother, Cpl. James Stonesifer, of the U. S. Marines, who was wounded in action in the Pacific in December, is convalescing in a Naval hospital in Shoemaker, Calif.

Hospital Report

Helen E. Mitten and Terence Weaver, both of Westminster, submitted to operations for the removal of their tonsils at the Warner hospital this morning.

Mrs. Kermit Hershey, Westminster, has been admitted as a patient. Those discharged were Ernest Plank, Greenmount; Mrs. Amos Myer, Gettysburg R. 3; Roy Doble, Keymar, Maryland; Mrs. Philip Neth and infant son, Jerry Reid, Steinwehr avenue, and Mrs. George D. Paxson, Emmitsburg.

CALL 225 RED
CROSS BLOOD
DONORS FRIDAY

Adams countians on the home front will have another opportunity next Friday to share in preparations for the invasion when the Red Cross mobile blood receiving unit from Harrisburg will make its sixteenth monthly visit here.

National Red Cross has urged upon local chapters the importance of accumulating large stocks of blood plasma for the upswing expected in war casualties on D-day and the invasion campaign that will open then. Nearly 2,000 Pints

The Blood Donor Service committee of the Adams county chapter will place appointment cards for 225 countians in the mail next Monday. Included on that list are about 20 persons who had appointments in April but could not be accepted as donors because a case of bottles for transporting the blood to the processing laboratories was found to be damaged when it was opened in the local center in the Christ Lutheran church basement.

The local committee has made the usual request that persons who find they will be unable to keep their appointments next Friday afternoon notify Radford H. Lipsey, Blood Donor chairman, as soon as possible.

The approximately 140 pints of blood expected to be received here on Friday will boost the Gettysburg center's total near to the 2,000-pint mark. The total now stands at 1,808 — 1,242 in 1943 and 566 so far this year.

Need More Donors
With the call for increased quantities of blood for plasma, the local Red Cross committee has renewed its appeal for new donors. Although a large proportion of the donors called each month are "repeaters," a steady flow of new volunteers must be secured to keep the blood donor list up to its present strength of more than 500. Donors are not permitted to give blood more often than once in eight weeks, so that a considerable list must be kept up to make available the necessary quota of pints of blood each month, it was pointed out.

As on former visits, local Red Cross staff members, nurses' aides and trained nurses will be on duty at the donor station, Friday.

Women of the St. James Lutheran church will handle kitchen duties Friday while women from the Presbyterian church will be in charge in the dining room.

YOUTH LAUDED
BY COMMANDER

Charles T. Timmins, Chambersburg street, received one of his finest gifts on the occasion of his seventeenth birthday in the form of a V-mail letter from the commander of the company in which his grandson, Pfc. William T. Timmins, Jr., is serving in England.

Young Timmins, 19, is attached to a quartermaster supply company under the command of Captain Frederic E. Johnson. His father, William T. Timmins, Sr., 46, is also in the armed forces, serving with the Seabees. The letter, which arrived on the grandfather's seventeenth birthday, follows:

"Pfc. William Timmins has been with this organization for quite some time now, and I as his company commander wish to drop you a few lines to inform you that he is doing excellent work and is in the best of health."

In frequent letters
"All in all I believe he is enjoying his stay in England and will profit from the experience."

"I realize that occasionally, your letters from him will be quite infrequent but I know you will understand how busy we all are, so busy in fact, that sometimes writing becomes of secondary importance, while receiving of letters remains primary."

"I would like you to feel free to write me any time whatsoever, as I assure you I shall answer promptly."

"Until I can deliver him safely home again, I remain: Sincerely yours, Frederic E. Johnson."

SUV MEETS

A report of the Memorial Day committee was presented by its secretary, William L. Meals, Esq., Friday evening at the regular meeting of the Gettysburg camp of the Sons of Union Veterans held at the post rooms on East Middle street. Leo Long, New Oxford, aide to Department Commander Jesse E. Snyder, was a guest at the meeting. Commander George Coshun presided.

PENNSYLVANIA
BOND QUOTA IS
\$1,082,000,000

Pennsylvania has been assigned a \$1,082,000,000 quota for the Fifth War Loan drive opening June 12. G. Ruhland Rebmann Jr., Chairman of the Pennsylvania War Finance Committee, announced today.

That is the largest of the war to date and compares with a \$978,000,000 quota and \$1,068,500,000 sales in the last campaign.

"Sales to individuals again will be emphasized," Rebmann said, "and Pennsylvania's quota in this category is \$442,000,000 compared to a \$233,000,000 quota and \$396,000,000 sales in the Fourth campaign."

"Of the quota for individuals, we are asked to sell at least \$224,000,000 in E bonds."

"This is a large quota, but I am sure the citizens of Pennsylvania can meet it if they support according to their ability the 135,000 workers who will go into the field with energy and enthusiasm."

County Quota

Adams county's quota is \$2,797,000. Members of the county's war bond committee will attend an "invasion" bond dinner-meeting at the Hotel Gettysburg Monday evening at 6:30 o'clock.

Rebmann said the county quotas are based on the capacity of the individual counties to buy, and that this capacity was determined after extensive study by the research department of the Philadelphia Federal Reserve bank.

"To the best of our ability the county quotas give each county a goal which represents its share of the job on the basis of its ability to perform," Rebmann said. "This will result in some counties receiving higher quotas than in the Fourth drive."

"To assure that Pennsylvania will again oversubscribe its goal by a substantial margin, as we must, every county organization and volunteer workers will extend their greatest efforts in this, the biggest drive of the war."

The campaign will end July 8.

Missing Driver Is
Sought By Police

Pvt. George Evanko, of the local state police unit, was looking this morning for an unknown motorist who disappeared after crashing into the side of a truck driven by Russell Mason, Inwood, West Virginia, at 1:35 o'clock this morning three miles west of New Oxford on the Lincoln highway.

The car was going east and the truck, owned by A. J. Mason, Inwood, was going west when the car struck the side of the truck and then crashed into a guard rail post. While the truck driver was summoning police, the car driver apparently "hitched a ride" for parts unknown, leaving his wrecked vehicle.

Slight Decrease
In Relief Payments

Direct relief payments to residents of Adams county during the week ending Friday totaled \$326.50, a decrease of \$4 from the previous week and \$17.70 more than for the comparable week last year, the state treasurer's office announced today.

Unemployment compensation payments for the past week to residents of the Gettysburg district totaled \$82, the state treasurer's office also said.

Property Transfers

Cora A. and H. T. Brown, Oxford township, sold to Z. Ruth Sponseller, New Oxford, a lot in New Oxford.

Maurice E. and Romayne Kemper, Yorkshire, Pa., sold to Richard E. Kammerer, Straban township, a lot in that township.

David and Elizabeth Hopkins Lenhart, Haddonfield, New Jersey, sold to John Lenhart, Princeton, New Jersey, a property in Latimore township.

TO ENTER SERVICE

Sharon, Pa., May 20 (AP)—Leslie G. Smock, 18-year-old Sunday school superintendent at the Transfer, Pa., Presbyterian church, will preside for the last time tomorrow before leaving for service in the Navy. His twin brother, Leslie, also goes tomorrow.

Allied Headquarters, Naples, May 20 (AP)—Allied troops have seized a string of the strongest fortifications in the Hitler line and in vigorous advances are driving the Nazis back along the entire lower half of the Italian front to yet a third defense wall, it was announced today.

Headquarters declared the Germans now were "being forced back upon the switch line" running southwest from Pico in the center to Terracina on the coast—a pullback that would make a wide swing of the southern Nazi front to the southwest from Pico as a hinge.

(The German high command announced the loss of Campodimele near the center, 4½ miles south and slightly west of Pico, and within a few miles of the "switch line" itself.)

Advances All Along Front

Assaulting the sagging Hitler line, Americans on the south won Itri and Gaeta, the French punched deeper in the middle, and the Eighth Army on the northern flank shook the Hitler line even in the Liri valley by putting under shattering attack the town of Aquino and the mountain stronghold of Pontecorvo—already in effect outflanked by the French.

Huge stores of booty were enveloped by the Allies, and more than 5,500 Nazis have been captured in this offensive which is smashing ever closer to the Fifth Army forces on the Anzio beachhead.

(An NBC broadcast said Allied forces had captured Monte Pizza four miles north of Itri.)

Terracina on the coastal end of the switch line is 20 miles west of Formia, which had been the southern anchor of the Hitler line.

The Americans captured both the vital junction of Itri on the Appian Way and the seaport of Gaeta around which the Nazis had clustered the greatest concentration of artillery yet encountered in Italy.

At Terracina, on the third line which the Germans have been forced to fall back upon, Allied warships shelled the town and roadways, the Navy announced. Many fires were started after a dump was hit.

Blast Italian Harbors

Allied planes, pursuing their campaign to disrupt the flow of supplies to the German front, attacked the Italian west coast ports of La Spezia, Genoa and Livorno and several railway bridges in northern Italy.

RAIL CENTERS
IN FRANCE ARE
RAPPED BY RAF

By W. W. HERCHER
London, May 20 (AP)—The RAF, in a strong renewal of its offensive against enemy railroad centers in occupied France, tore up networks of tracks at Boulogne, Orleans, Le Mans and Tours last night, and fresh formations of Allied bombers continued the European assault in daylight.

The Air Ministry's communique reported British bombers over France "in great strength," indicating possibly 750 heavy bombers were used and more than 3,000 long tons of explosives dropped.

In addition military objectives on the west coast of France were bombed. Fast flying Mosquitos also attacked the German city of Cologne.

7 Planes Missing
Seven aircraft were reported missing in the night's operations.

This morning wave after wave of Allied aircraft crossed the Dover Strait in hazy sunshine to renew the attack against German-occupied Europe. The German radio indicated some had already reached the Reich, warning of enemy fighters already over western Germany and going deeper.

The Mediterranean Army Air force sent heavy bombers, strongly escorted by fighters, against ports and bridges in northern Italy, while medium and light bombers operated behind the Hitler line.

Great waves of RAF night bombers followed up the pounding given Berlin and Brunswick yesterday by 1,500 American bombers and fighters, who shot down 125 German planes at a cost of 26 bombers and nine fighters.

A German news broadcast claimed 71 American planes, mostly four-engine bombers, were downed.

The MAAF attacked the Italian ports of La Spezia, Genoa, and Livorno, all on the Ligurian sea coast in northern Italy.

The Berlin radio said 4,318 planes, including 3,426 four-engine bombers, were destroyed during American raids on Germany in the first four months of this year. "The Allies lost 30,000 flying personnel during this period," the DNB home service broadcast said.

No enemy planes were over Britain during the night.

COUPLE TO WED
A marriage license was issued at the court house Friday afternoon to Lewis Snyder Heyzer, U. S. Navy, son of Mr. and Mrs. Charles E. Heyzer, Gettysburg R. D., and Carol Rosalie Slansky, Gettysburg, daughter of Carl A. Slansky, Chicago, and Mrs. Helen Slansky Culp, Bovey, Minnesota.

Howard Baugher, 33, Hanover R. 3, was fatally injured Friday evening when a car driven by Frederick J. Miller, Third and South streets, McSherrystown, crashed into the rear of Baugher's tractor while both vehicles were proceeding north on the Hanover-Abbottstown road a little over a mile south of Abbottstown at 9:20 o'clock.

Baugher died this morning at 6:50 o'clock at the Hanover General hospital, of a severe fracture of the skull, according to York county coroner, Dr. L. U. Zech.

His son, Kenneth Baugher, 3, who was also riding on the tractor, suffered head injuries and was treated at the Hanover hospital. He was discharged today.

Witnesses at the scene said Baugher was conscious after the collision, but by the time he had reached the Hanover hospital he had lost consciousness and never regained it.

Witnesses said they believed that Baugher was driving to a nearby farm to secure a wagon there. He was north of his home along the Abbottstown-Hanover road when the accident occurred.

Damage was estimated by Private Sheads at "several hundred dollars." He is continuing his investigation into the accident.

County Soldier Is
Wounded In Action

Word has been received that Pfc. Donald I. Moose, son of Mr. and Mrs. Charles Moose, Aspers R. D., has been wounded in action in Italy.

Pfc. Moose, who attended the Biglerville schools, was inducted into the infantry on March 7, 1943. He received his basic training at Fort Jackson, South Carolina.

Last September Pfc. Moose was sent overseas. He has been stationed in Italy since January.

Prior to his induction he was employed as a machine operator at the Rice, Trew and Rice plant at Biglerville.

REELECT KANE
AS DEMOCRATIC
CO. CHAIRMAN

Carl W. Kane, Biglerville R. 2, was re-elected chairman of the Adams county Democratic party for the third consecutive term Friday evening at a meeting of the Democratic committee at the court house.

Previous threats of opposition by Democratic party leaders seemed to have been ironed out prior to the session with Mr. Kane unopposed for the post.

Continuation of the Roosevelt administration was stressed by the re-elected chairman as the "only way to insure a sincere and lasting peace," in his address of thanks to the committee for his election.

Asks Ticket Support

Mrs. Maude V. Baker, Cumberland township, was elected vice chairman and Harry L. Cratin, Littlestown, was re-elected treasurer. Seb. H. Weaver, McSherrystown, was re-appointed secretary. The executive committee of the party will be announced at a later date, it was stated.

A fourth term for President Roosevelt, and support for George Little for state assembly and Josiah Gitt for congress was asked by the chairman.

2ND DISTRICT
S.S. MEETING

The annual convention of the Second Sunday school district will be held in Zion Lutheran church, Fairfield, Sunday evening beginning at 7 o'clock.

The convention will open with three simultaneous group conferences as follows: Adult conference, conducted by Robert W. Mowry, president of the Franklin County Council of Christian Education; conference for Children's workers, under the leadership of Mrs. Lloyd Garretson of the county staff; conference for Young People, directed by Charles Lott, president of the Adams County Christian Endeavor Union. Persons attending are requested to go directly to the group of their choice.

At 8 o'clock the group will assemble in the church auditorium at which time the new district officers will be installed by Charles Genzler, county president. After the installation the Mennonite Men's chorus, under the direction of Arthur Roth, will render several selections. The chorus is composed of men from the Fairfield and Mummasburg churches. Mr. Mowry will then conduct an open forum on general Sunday school work.

MARKETMEN SEE
BENEFITS FROM
SHOWERS TODAY

Quantities of lettuce and spinach, the first of the season at the Farmers' market house, disappeared rapidly this morning as the demand for many spring vegetables exceeded the supply. Farmers were greatly cheered by the shower early this morning, some saying it had arrived in time to save the strawberry crop and others pointing out that all garden and truck products will be greatly aided by the needed rain.

Lettuce sold at 10 and 15 cents a quart box. The home-grown spinach sold for 15 cents a quart and white and red radishes at five and 10 cents a bunch. Onions were five cents a bunch and rhubarb brought 10 cents a bunch at most stands. Limited amounts of asparagus sold at 25 cents a bunch.

Plants In Demand

Only the earlier shoppers found sweet potato sprouts that sold at 75 cents per hundred. Pepper plants were two cents each at some stalls but elsewhere sold at eight cents for a half dozen. Cabbage and tomato plants were offered at 15 cents a dozen but one grower offered large tomato plants almost ready to blossom at eight and 10 cents apiece. Sage plants were 15 cents a dozen.

Buttermilk could be had at 10 cents a quart. Cottage cheese was 40 cents a quart and home-made potato salad, 35 cents a quart.

Potatoes were \$2 per bushel but the demand was light. Eggs ranged in price from 30 to 35 cents a dozen. Fryers continued at the new price they reached last week — 60 cents per pound, dressed weight.

Iris of many shades predominated among the cut flowers on sale.

Wounded Countian In Hospital In W. Va.

Pfc. Bernard Stonesifer, son of Bernard Stonesifer, Littlestown, who was wounded in action with the Fifth Army in Italy in January, has arrived at the Ashford General hospital, White Sulphur Springs, W. Va., according to telegrams received by his father and by his grandmother, Mrs. Lucy Milhines, Littlestown. He had been a patient in a hospital in Italy and had been confined to a hospital in North Africa before being brought back to the United States.

Pfc. Stonesifer's brother, Cpl. James Stonesifer, of the U. S. Marines, who was wounded in action in the Pacific in December, is convalescing in a Naval hospital in Shoemaker, Calif.

HOSPITAL REPORT

Helen E. Mitten and Terence Weaver, both of Westminster, submitted to operations for the removal of their tonsils at the Warner hospital this morning.

Mrs. Kermit Hershey, Westminster, has been admitted as a patient. Those discharged were Ernest Plank, Greenmount; Mrs. Amos Meyer, Gettysburg R. 3; Roy Duble, Keymar, Maryland; Mrs. Philip Neth and infant son, Jerry Reid, Steinwehr avenue, and Mrs. George D. Paxson, Emmitsburg.

Pansies, Petunias, Zinnias and other flower plants. Wayside Flower Shop.

CALL 225 RED
CROSS BLOOD
DONORS FRIDAY

Adams countians on the home front will have another opportunity next Friday to share in preparations for the invasion when the Red Cross mobile blood receiving unit from Harrisburg will make its sixteenth monthly visit here.

National Red Cross has urged upon local chapters the importance of accumulating large stocks of blood plasma for the upswing expected in war casualties on D-day and the invasion campaign that will open then.

Nearly 2,000 Pints

The Blood Donor Service committee of the Adams county chapter will place appointment cards for 225 countians in the mail next Monday. Included on that list are about 20 persons who had appointments in April but could not be accepted as donors because a case of bottles for transporting the blood to the processing laboratories was found to be damaged when it was opened in the local center in the Christ Lutheran church basement.

The local committee has made the usual request that persons who find they will be unable to keep their appointments next Friday afternoon notify Radford H. Lippy, Blood Donor chairman, as soon as possible.

The approximately 140 pints of blood expected to be received here on Friday will boost the Gettysburg center's total near to the 2,000-pint mark. The total now stands at 1,808 — 1,242 in 1943 and 566 so far this year.

Need More Donors

With the call for increased quantities of blood for plasma, the local Red Cross committee has renewed its appeal for new donors. Although a large proportion of the donors called each month are "repeaters," a steady flow of new volunteers must be secured to keep the blood donor list up to its present strength of more than 500. Donors are not permitted to give blood more often than once in eight weeks, so that a considerable list must be kept up to make available the necessary quota of pints of blood each month, it was pointed out.

As on former visits, local Red Cross staff members, nurses' aides and trained nurses will be on duty at the donor station, Friday.

Women of the St. James Lutheran church will handle kitchen duties Friday while women from the Presbyterian church will be in charge in the dining room.

YOUTH LAUDED
BY COMMANDER

Charles T. Timmins, Chambersburg street, received one of his finest gifts on the occasion of his seventeenth birthday in the form of a V-mail letter from the commander of the company in which his grandson, Pfc. William T. Timmins, Jr., is serving in England.

Young Timmins, 19, is attached to a quartermaster supply company under the command of Captain Frederic E. Johnson. His father, William T. Timmins, Sr., 46, is also in the armed forces, serving with the Seabees. The letter, which arrived on the grandfather's seventeenth birthday, follows:

"Pfc. William Timmins has been with this organization for quite some time now, and I as his company commander wish to drop you a few lines to inform you that he is doing excellent work and is in the best of health."

Infrequent Letters

"All in all I believe he is enjoying his stay in England and will profit from the experience."

"I realize that occasionally, your letters from him will be quite infrequent but I know you will understand how busy we all are, so busy in fact, that sometimes writing becomes of secondary importance, while receiving of letters remains primary."

"I would like you to feel free to write me any time what-so-ever, as I assure you I shall answer promptly."

"Until I can deliver him safely home again, I remain: Sincerely yours, Frederic E. Johnson."

SUV MEETS

A report of the Memorial Day committee was presented by its secretary, William L. Means, Esq., Friday evening at the regular meeting of the Gettysburg camp of the Sons of Union Veterans held at the post rooms on East Middle street. Leo Long, New Oxford, aide to Department Commander Jesse E. Snyder, was a guest at the meeting. Commander George Coshum presided.

BAKER TO SPEAK

Fred Sanders, chief baker at Henning's bakery here, will be the speaker at the weekly dinner meeting of the Gettysburg Lions club Monday evening at 6 o'clock at Mrs. Smith's restaurant.

PENNSYLVANIA
BOND QUOTA IS
\$1,082,000,000

Pennsylvania has been assigned a \$1,082,000,000 quota for the Fifth War Loan drive opening June 12, G. Ruhland Rebmann Jr., Chairman of the Pennsylvania War Finance Committee, announced today.

That is the largest of the war to date and compares with a \$978,000,000 quota and \$1,068,500,000 sales in the last campaign.

"Sales to individuals again will be emphasized," Rebmann said, "and Pennsylvania's quota in this category is \$442,000,000 compared to a \$423,000,000 quota and \$396,000,000 sales in the Fourth campaign."

"Of the quota for individuals, we are asked to sell at least \$224,000,000 in E bonds."

"This is a large quota, but I am sure the citizens of Pennsylvania can meet it if they support according to their ability the 135,000 workers who will go into the field with energy and enthusiasm."

County Quota

Adams county's quota is \$2,797,000. Members of the county's war bond committee will attend an "invasion" bond dinner-meeting at the Hotel Gettysburg Monday evening at 6:30 o'clock.

Rebmann said the county quotas are based on the capacity of the individual counties to buy, and that this capacity was determined after extensive study by the research department of the Philadelphia Federal Reserve bank.

"To the best of our ability the county quotas give each county a goal which represents its share of the job on the basis of its ability to perform," Rebmann said. "This will result in some counties receiving higher quotas than in the Fourth drive."

"To assure that Pennsylvania will again oversubscribe its goal by a substantial margin, as we must, every county organization and volunteer workers will extend their greatest efforts in this, the biggest drive of the war."

The campaign will end July 8.

Missing Driver Is
Sought By Police

Pvt. George Evanko, of the local state police unit, was looking this morning for an unknown motorist who disappeared after crashing into the side of a truck driven by Russell Mason, Inwood, West Virginia, at 1:35 o'clock this morning three miles west of New Oxford on the Lincoln highway.

The car was going east and the truck, owned by A. J. Mason, Inwood, was going west when the car struck the side of the truck and then crashed into a guard rail post.

While the truck driver was summoning police, the car driver apparently "hitched a ride" for parts unknown, leaving his wrecked vehicle.

Slight Decrease
In Relief Payments

Direct relief payments to residents of Adams county during the week ending Friday totaled \$326.50, a decrease of \$4 from the previous week and \$17.70 more than for the comparable week last year, the state treasurer's office announced today.

Unemployment compensation payments for the past week to residents of the Gettysburg district totaled \$82, the state treasurer's office also said.

Property Transfers

Cora A. and H. T. Brown, Oxford township, sold to Z. Ruth Sponsler, New Oxford, a lot in New Oxford.

Maurice E. and Romayne Kemper, Yorkshire, Pa., sold to Richard E. Kammerer, Straban township, a lot in that township.

David and Elizabeth Hopkins Lendhart, Haddonfield, New Jersey, sold to John Lenhart, Princeton, New Jersey, a property in Latimore township.

TO ENTER SERVICE

Sharon, Pa., May 20 (AP)—Leslie G. Smock, 18-year-old Sunday school superintendent at the Transfer, Pa., Presbyterian church, will preside for the last time tomorrow before leaving for service in the Navy. His twin brother, Lisle, also goes tomorrow.

Allied Headquarters, Naples, May 20 (AP)—Allied troops have seized a string of the strongest fortifications in the Hitler line and in vigorous advances are driving the Nazis back along the entire lower half of the Italian front to yet a third defense wall, it was announced today.

Headquarters declared the Germans now were "being forced back upon the switch line" running southwest from Pico in the center to Terracina on the coast—a pullback that would make a wide swing of the southern Nazi front to the southwest from Pico as a hinge.

(The German high command announced the loss of Campodimele near the center, 4½ miles south and slightly west of Pico, and within a few miles of the "switch line" itself.)

Advances All Along Front

Assaulting the sagging Hitler line, Americans on the south won Itri and Gaeta, the French punched deeper in the middle, and the Eighth Army on the northern flank shook the Hitler line even in the Liri valley by putting under shattering attack the town of Aquino and the mountain stronghold of Pontecorvo—already in effect outflanked by the French.

Huge stores of booty were enveloped by the Allies, and more than 5,500 Nazis have been captured in this offensive which is smashing ever closer to the Fifth Army forces on the Anzio beachhead.

(An NBC broadcast said Allied forces had captured Monte Pizzo four miles north of Itri.)

Terracina on the coastal end of the switch line is 20 miles west of Formia, which had been the southern anchor of the Hitler line.

The Americans captured both the vital junction of Itri on the Apian Way and the seaport of Gaeta around which the Nazis had clustered the greatest concentration of artillery yet encountered in Italy.

At Terracina, on the third line which the Germans have been forced to fall back upon, Allied warships shelled the town and roadways, the Navy announced. Many fires were started after a dump was hit.

Blast Italian Harbors

Allied planes, pursuing their campaign to disrupt the flow of supplies to the German front, attacked the Italian west coast ports of La Spezia, Genoa and Livorno and several railway bridges in northern Italy.

The total count of prisoners for the offensive passed the 5,500 mark, and hundreds more were marched back to Allied prison pens.

RAIL CENTERS
IN FRANCE ARE
RAPPED BY RAF

While the Americans wiped from their sector the last vestiges of what once was considered the Hitler line anchored in the Aunreul mountains running down to Gaeta Point, Gen. Alphonse Juin's French troops ripped into the Hitler line fortifications farther north, capturing the village of Sant' Oliva, which had been designated a strongpoint. These were the troops which rode up to that town two days ago on the backs of American tanks.

The French then thrust on, seizing Monte Mandrone, which dominates the whole area north of Sant' Oliva and also commands the road due westward from Pontecorvo to Pico—the only line of retreat for Pontecorvo's defenders who already are being attacked heavily by Eighth Army troops.

British elements advancing on the road from Pignataro to Pontecorvo halted 1,000 yards from the Hitler line fortifications guarding Pontecorvo to permit artillery to lay a concentration of shells on the enemy.

7 Planes Missing

Seven aircraft were reported missing in the night's operations.

This morning wave after wave of Allied aircraft crossed the Dover Strait in hazy sunshine to renew the attack against German-occupied Europe. The German radio indicated some had already reached the Reich, warning of enemy fighters already over western Germany and going deeper.

The Mediterranean Army Air Force sent heavy bombers, strongly escorted by fighters, against ports and bridges in northern Italy, while medium and light bombers operated behind the Hitler line.

Great waves of RAF night bombers followed up the pounding given Berlin and Brunswick yesterday by 1,500 American bombers and fighters, who shot down 125 German planes at a cost of 26 bombers and nine fighters.

A German news broadcast claimed 71 American planes, mostly four-engine bombers, were downed.

The MAAF attacked the Italian ports of La Spezia, Genoa, and Livorno, all on the Ligurian sea coast in northern Italy.

The Berlin radio said 4,318 planes, including 3,426 four-engine bombers, were destroyed during American raids on Germany in the first four months of this year. "The Allies lost 30,000 flying personnel during this period," the DNB home service broadcast said.

No enemy planes were over Britain during the night.

Poles Advance

At the northern end of the offensive front the Poles smashed westward through high mountains from the Cassino area and captured Villa Santa Lucia, two and a half miles northwest of the Cassino monastery.

Polish patrols also moved up into Piedmontese just off highway No. 6 which has been described as one of the strong points of the Hitler line. Official accounts said nothing about opposition there.

Several mountains in the area northwest of Cassino, including Monte Castellone, Colle San Angelo, Point 575 and Monte Cassino, have been cleared of small enemy detachments.

The Nazi high command was disclosed to have taken the name "Adolf Hitler line" away from the fortifications guarding the Liri valley and the area southward which already has been riddled in several places. Prisoners now say that line is called the Dora line.

It is believed the name of Hitler has now been given to another line nearer Rome.

COUPLE TO WED

A marriage license was issued at the court house Friday afternoon to Lewis Snyder Heyser, U. S. Navy, son of Mr. and Mrs. Charles E. Heyser, Gettysburg R. D., and Carol Rosalie Slansky, Gettysburg, daughter of Carl A. Slansky, Chicago, and Mrs. Helen Slansky Culp, Bovey, Minnesota.

ALL NOT WELL FOR BOCHE ON ITALIAN FRONT

By DEWITT MACKENZIE
Associated Press War Analyst

The Allied offensive in Italy has attained a gratifyingly substantial degree of success which might develop into a block-buster.

Nazi recognition of this danger is clearly indicated in Berlin's megaphone denial of the existence of the Adolf Hitler line, although the Allies actually were flinging themselves against these defenses as the fabrication was broadcast. That's highly significant.

It means the Hitlerites are preparing the German public in particular, and the world in general, for a possible big Nazi withdrawal. The German command knows it isn't fooling the Allied command into believing that "there ain't no such animal" as the Adolf Hitler line, because our boys have been raising Cain in it. However, the denial is designed to soften the adverse moral effect if the Nazis have to continue their retreat.

Disorderly Retreat
It doesn't follow that the Germans won't put up a stiff battle, despite the fact that an Allied spokesman described their retreat from the Gustav Line to the Hitler defenses as a "disorderly retreat." Hard experience teaches us not to bank on a German debacle until we actually see it.

As things are going, the Allied onslaught in Italy is proving to be an excellent curtain raiser for the major operations to come in eastern and in western Europe. The German commitment of some twenty-five divisions—probably 300,000 men—to the task of holding onto central Italy is a serious one, at this crucial moment when Hitler is so short of man-power that he is having to count noses. If the Allies can smash these divisions and clear the Italian peninsula, it will be a grand contribution to the final assault on the Festung Europa.

Fear Red Drive
While the Allies are getting ahead with their announced intention of annihilating the German army in Italy, an uneasy Berlin insists that Russia is ready for a wholesale offensive. And to keep German nerves jangling, the Muscovites agree that this is true.

The Red armies appear to be rounding into final shape rapidly—and the spring mud must be drying out well. Last year the Russians didn't start their big summer offensive until mid July, but things were far different at that time. This season they are in much greater strength, and an exceptionally early spring has advanced the summer fighting season.

The Germans say that the Russian offensive and D-day in the west will come simultaneously. Whether they believe this or not, the Hitlerites must be prepared for the contingency. They must stand guard on all fronts of their fortress perimeter.

Elusive D-day
Actually, there has been no indication that the Russians and the western Allies would strike at exactly the same time. It certainly doesn't follow from visible preparations that the blows will be simultaneous. As a matter of fact, observers generally agree that it's quite possible the operations may be staggered—that the Russians will get into action ahead of the invasion in the west. For that matter, it wouldn't be surprising if other subsidiary operations preceded D-day.

The answer to when D-day will come is as elusive as ever. The American and British team lost some valuable time this week, having been laid off by bad weather for five days. That would give the Nazis time to pull of their socks a bit. However, we swung into the aerial offensive again yesterday rested and doing business at the old stand.

It's important to note, by the way, that our pilots ran into exceptional German fighter strength. The Nazis are bringing out their carefully conserved reserve of warplanes as the crisis draws near.

Communists Will Support Roosevelt

New York, May 20 (AP)—Earl Browder, general secretary of the Communist party of the United States, announced formally today that American Communists would support President Roosevelt for reelection.

Keynoting the party's national convention Browder, who caught the presidency himself in 1936 and 1940 said in his prepared address, that the President's retirement now "would be a disaster for our country."

"Our enemies in the war would be encouraged to new efforts, our Allies in the war would have deep misgivings and our own country would be launched upon an uncharted sea of uncontrolled factionalism," he said.

\$10,000 DAMAGES

Harrisburg, May 20 (AP)—A verdict awarding \$10,000 to Solomon D. Slichter, Franklin county farmer, whose land was taken by the government for the Letterkenny Army Ordnance Depot, was returned by a U. S. District court jury here yesterday. A board of viewers originally valued the farm at \$4,400.

JAPS FLEEING MYITKYINA

Southeast Asia Headquarters, Kandy, Ceylon, May 20 (AP)—The Japanese are being driven from besieged Myitkyina, chief Japanese base north of the Burma road, by Chinese and Americans closing in from three sides. Allied headquarters announced today.

Allied lines were drawn about Myitkyina, strategic objective in the campaign to open a land route to China, when Brig. Gen. Frank Merrill's American marauders crossed the Irrawaddy river four miles below the city and closed one of its chief lines of communications.

On the Imphal-Kohima front of eastern India, meanwhile, the British suddenly turned the tables on the Japanese by throwing a roadblock across the enemy's lines of communications near Jessami to the east of Kohima. To the southeast of Imphal Allied troops also advanced against "weak opposition" and occupied a number of enemy positions on the track leading to Silchar, Imphal's nearest railroad.

While one Allied force south of Myitkyina advanced to the Irrawaddy, occupied Zuyun village, and then crossed the stream and took the village of Katyko, another force advanced on the city from Gharpat to the north.

DEATHS

William Weikert

Word has been received here of the death Thursday in Philadelphia of William Weikert, aged about 69 years, son of the late George and Rebecca Weikert. He was born and raised near Knoxlyn Mills. Death was caused by pneumonia.

Mr. Weikert, who was a carpenter, is survived by his widow and a daughter, Ruth, of Philadelphia. The body was cremated. Funeral rites at 10 o'clock Monday morning in Philadelphia.

Harvey Stoner Leib

Harvey Stoner Leib, 71, retired farmer, died suddenly Friday night at the home of his son-in-law and daughter, Mr. and Mrs. Ralph Dolheimer, with whom he resided, Thomasville R. 1.

Mr. and Mrs. Dolheimer had gone away about 7 p. m., leaving Mr. Leib at home playing the radio. When they returned two hours later, they found Mr. Leib dead. Coroner L. U. Zech issued the certificate, giving a heart attack as the cause of death.

Surviving are five children, Mrs. Dolheimer, Mrs. Roger Wildasin, Abbottstown; Russell Leib, Bainbridge, and Hilliard and Archie Leib, Abbottstown; also two sisters, Mrs. Frank Kauffman, Thomasville, and Mrs. Jennie Hamme, Abbottstown.

Nine Race Horses Worth \$30,000 Burn

Louisville, Ky., May 20 (AP)—Nine race horses and one pony were destroyed early today when fire razed one of the barns at historic Churchill Downs.

Hundreds of thoroughbreds were stabled at the track but only about 30 had to be turned loose. In addition to the horses which were destroyed, another racer was missing several hours after the fire was brought under control.

Value of the nine horses lost in the fire was variously estimated at from \$30,000 to \$50,000. There was no outstanding racer among them.

Seek 16 Kiddies In "Witchcraft" Probe

Apizaco, Mexico, May 20 (AP)—Police investigating the activities of a couple under arrest in connection with a so-called "witchcraft" case searched today for 16 children reported missing and feared slain.

Precautions were taken to prevent enraged villagers from lynching the couple. Police said bodies of two children and the skeleton of a dog had been found on their premises.

Swiss Radio Says Allies Near Rome

London, May 20 (AP)—The Swiss radio, quoting reports from Bari, said today Allied troops have entered the province of Rome.

There was no official Allied confirmation of the report. (Whether the broadcast indicated any significant new Allied gain was not immediately clear.)

15 Face Utah Court In Polygamy Cases

Salt Lake City, Utah, May 20 (AP)—For the first time since the case was broken by Federal and State officers more than two months ago, one phase of Utah's complex plural marriage investigation reached the conviction or acquittal stage today.

District Judge Jay Van Cott, Jr., summoned 15 Salt Lake City men to court for his verdict on a state charge they lived with from two to six women each — 55 altogether — who were not their legal wives.

Defense Attorney Knox Patterson argued that to convict the 15 men would be to brand their children — and those of "hundreds of other persons doing the same thing" — as illegitimate.

RESISTANCE OF JAPANESE IN S. PACIFIC WANES

Advance Allied Headquarters, New Guinea, May 20 (AP)—Swift repair of captured Wakde airfield and destruction of Rabaul's once formidable network of airdromes were reported by headquarters today, along with new naval bombardments and air attacks aimed at erasing Japanese resistance from New Guinea to the northern Solomons.

This was the latest situation depicted in a mounting campaign by Gen. Douglas MacArthur to win the rest of New Guinea between him and the Philippines while at the same time killing or capturing 140,000 Japanese his forces have bypassed.

Dutch New Guinea—American engineers, going to work while conquering soldiers moved against Japanese pockets on the northeast end of Wakde Island, are expected "very shortly" to have the 4,700-foot airfield ready for Allied planes. Northwest of Wakde, even sporadic interception has ceased at Schouten Island bases of the enemy under the continued pounding of MacArthur's air arm. Hollandia, 110 miles southeast of Wakde, was attacked by a single enemy plane which wounded a few men and caused slight damage.

Control Long Coast
British New Guinea—Aitape, 150 miles southeast of Hollandia, is so thoroughly consolidated that American patrols now control the coast for 60 miles; in the bypassed 200 miles between the Aitape holdings and Buna, where thousands of enemy troops are being compressed in a narrowing trap, warships shelled three harbors and Karkar Island while planes ripped into dwindling supplies, communications and airfields.

New Britain—Rabaul's five airdromes were reported useless by American pilots returning to Solomons bases Wednesday from a 116-ton bombing attack, with only two planes in sight where once there were hundreds.

New Ireland—Isolated Kavieng's airdrome was dive bombed and, for the first time, headquarters specified that the attackers came from near-by Eniata Island in the St. Matthias group.

Northern Solomons — Torpedo bombers, dive bombers and fighter bombers swept the Bougainville coast from south to north while patrols clashed at one end of the dominating American position at Empress Augusta Bay.

In the area between Australia and New Guinea, Dutch fliers attacked three small Japanese ships off the Tanimabar islands, sinking one, causing abandonment of the second, and damaging the third.

Federal Workers Called "Snoopers"

Philadelphia, May 20 (AP)—Governor Edward Martin said today that federal employees are "interfering with freedom of action."

He told the Republican state committee meeting here that federal employees—now "one out of every 41 Americans"—are "snooping and prying into the private affairs of American citizens in ways never contemplated by the founders of the republic."

Martin said the Republican party must convince voters that the GOP will have the desire and the ability to put into effect a program "superior" to that of the present administration.

News Briefs

Chicago, May 20 (AP)—A suit for \$1,000,000 against Marshall Field, publisher-editor of the Chicago Sun, was on file in U. S. District court Friday, instituted by Sewell L. Avery, chairman of Montgomery Ward and company, and charging Field "maliciously published untrue, false and defamatory statements" about Avery and his company.

London, May 20 (AP)—Arrest of several leaders of the Turkish pro-Nazi organization, "Pan-Turanian," said to have been plotting to overthrow the present government in neutral Turkey, was announced in an Ankara broadcast Thursday which declared that martial law had been imposed at Istanbul.

Dewey Picks Up 15 Votes In Oregon

Portland, Ore., May 20 (AP)—Gov. Thomas E. Dewey captured Oregon's 15 delegates to the Republican national convention in a sweep that brought from backers today the cry "he's beyond stopping now."

Late returns widened the margin by which the New Yorker triumphed in yesterday's Republican preferential primary over Lt. Commander Harold E. Stassen and Gov. John W. Bricker of Ohio and brought Dewey's pledged and claimed delegate total to 339.

Tabulations from 787 of 1,828 precincts gave: Dewey, 12,331; Stassen, 1,770; Bricker, 936.

Wayne L. Morse, lawyer and farmer public member of the War Labor Board, stretched his lead for the Republican senatorial nomination over Senator Rufus C. Holman, seeking a second term. This was the hard-fought race of the primary. Holman assailed Morse as a "New Deal carpet bagger" and Morse labeled Holman a "dangerous isolationist."

A total of 831 precincts gave Morse 26,692, Holman 23,029.

GOP CHIEFS IN SESSION TODAY

Philadelphia, May 20 (AP)—State Republican leaders met here today for the biennial reorganization meeting of the state committee and a caucus of delegates to the Chicago national convention.

Main interest centered in the caucus of the commonwealth's 70 delegates although no pre-convention endorsement is expected—"as a courtesy," spokesmen have said, to presidential possibilities who will attend the governors' conference in Hershey beginning May 29.

However, Delegate W. Clyde Harter, of Williamsport, issued a statement last night demanding that New York Governor Thomas E. Dewey—who polled 146,706 Republican write-in votes in the April 25 primary, an official count revealed yesterday—be endorsed for this afternoon's caucus.

The number of votes cast for Dewey, who has consistently denied that he is a candidate, was almost three times greater than in 1940—when he was an active candidate.

ALLIES SLASH NIPPON BASE ON ISLAND OF JAVA

By C. YATES McDANIEL

Allied Headquarters, Southwest Pacific, May 20 (AP)—Strong carrier-borne forces from the Nimitz-MacArthur-Mountbatten commands united for the first time in this war to inflict heavy damage Wednesday upon Japan's principal Dutch East Indies base at Soerabaya.

Gen. Douglas MacArthur's Southwest Pacific headquarters announced in a special communique that carrier planes attacked and damaged important oil and dock installations and struck at 35,000 tons of shipping sheltering in the great Java harbor.

The attack was the first water-borne assault against Soerabaya, an important base the Allies were forced out of two years ago, and it was the first in which the fliers and seamen under Adm. Chester W. Nimitz, Adm. Lord Louis Mountbatten and Gen. MacArthur had joined forces in strength. Mountbatten is the southeast Asia commander, Nimitz commands the central Pacific and MacArthur the southwest Pacific.

Bomb Railyards
On the heels of the carrier strike, Liberator bombers flew in a few hours later and bombed the Soerabaya rail yards and other installations. Their attack Wednesday night took them on a 2,500-mile round trip from a northwest Australian base.

The Japanese airforce and ground defenses put up only minor resistance to nearly 100 Allied carrier planes. Fifth airforce Liberator bombers from the southwest Pacific followed up the carrier planes with a heavy blasting Wednesday night.

In the great operation deep into enemy-held regions of the Pacific the Japanese Navy failed to offer the slightest resistance.

The carrier-borne planes destroyed 19 enemy aircraft on the ground in the strike at Soerabaya, which is on Java to the northwest of Darwin, Australia.

Of the few enemy planes that accepted the Allied challenge, two were shot down.

ALL NOT WELL FOR BOCHE ON ITALIAN FRONT

By DEWITT MACKENZIE
Associated Press War Analyst
The Allied offensive in Italy has attained a gratifyingly substantial degree of success which might develop into a block-buster.

Nazi recognition of this danger is clearly indicated in Berlin's megalomaniac denial of the existence of the Adolf Hitler line, although the Allies actually were flinging themselves against these defenses as the fabrication was broadcast. That's highly significant.

It means the Hitlerites are preparing the German public in particular, and the world in general, for a possible big Nazi withdrawal. The German command knows it isn't fooling the Allied command into believing that "there ain't no such animal" as the Adolf Hitler line, because our boys have been raising Cain in it. However, the denial is designed to soften the adverse moral effect if the Nazis have to continue their retreat.

Disorderly Retreat

It doesn't follow that the Germans won't put up a stiff battle, despite the fact that an Allied spokesman described their retirement from the Gustav Line to the Hitler defenses as a "disorderly retreat." Hard experience teaches us not to bank on a German debacle until we actually see it.

As things are going, the Allied onslaught in Italy is proving to be an excellent current raiser for the major operations to come in eastern and in western Europe. The German commitment of some twenty-five divisions—probably 300,000 men—to the task of holding onto central Italy is a serious one at this crucial moment when Hitler is so short of man-power that he is having to count noses. If the Allies can smash these divisions and clear the Italian peninsula, it will be a grand contribution to the final assault on the Festung Europa.

Fear Red Drive

While the Allies are getting ahead with their announced intention of annihilating the German army in Italy, an uneasy Berlin insists that Russia is ready for a wholesale offensive. And to keep German nerves jangling, the Muscovites agree that this is true.

The Red armies appear to be rounding into final shape rapidly—and the spring mud must be drying out well. Last year the Russians didn't start their big summer offensive until mid July, but things were far different at that time. This season they are in much greater strength, and an exceptionally early spring has advanced the summer fighting season.

The Germans say that the Russian offensive and D-day in the west will come simultaneously. Whether they believe this or not, the Hitlerites must be prepared for the contingency. They must stand guard on all fronts of their fortress perimeter.

Evasive D-day

Actually, there has been no indication that the Russians and the western Allies would strike at exactly the same time. It certainly doesn't follow from visible preparations that the blows will be simultaneous. As a matter of fact, observers generally agree that it's quite possible the operations may be staggered—that the Russians will get into action ahead of the invasion in the west. For that matter, it wouldn't be surprising if other subsidiary operations preceded D-day.

The answer to when D-day will come is as elusive as ever. The American and British team lost some valuable time this week, having been laid off by bad weather for five days. That would give the Nazis time to pull of their socks a bit. However, we swung into the aerial offensive again yesterday, rested and doing business at the old stand.

It's important to note, by the way, that our pilots ran into exceptional German fighter strength. The Nazis are bringing out their carefully conserved reserve of warplanes as the crisis draws near.

Communists Will Support Roosevelt

New York, May 20 (AP)—Earl Browder, general secretary of the Communist party of the United States, announced formally today that American Communists would support President Roosevelt for reelection.

Keynoting the party's national convention, Browder, who sought the presidency himself in 1936 and 1940, said in his prepared address that the President's retirement now "would be a disaster for our country."

"Our enemies in the war would be encouraged to new efforts, our Allies in the war would have deep misgivings, and our own country would be launched upon an uncharted sea of uncontrolled factionalism," he said.

JAPS FLEEING MYITKYINA

Southeast Asia Headquarters, Kandy, Ceylon, May 20 (AP)—The Japanese are being driven from besieged Myitkyina, chief Japanese base north of the Burma road, by Chinese and Americans closing in from three sides. Allied headquarters announced today.

Allied lines were drawn about Myitkyina, strategic objective in the campaign to open a land route to China, when Brig. Gen. Frank Merrill's American marauders crossed the Irrawaddy river four miles below the city and closed one of its chief lines of communications.

On the Imphal-Kohima front of eastern India, meanwhile, the British suddenly turned the tables on the Japanese by throwing a roadblock across the enemy's lines of communications near Jessami to the east of Kohima. To the southeast of Imphal Allied troops also advanced against "weak opposition" and occupied a number of enemy positions on the track leading to Silchar, Imphal's nearest railroad.

While one Allied force south of Myitkyina advanced to the Irrawaddy, occupied Zigun village, and then crossed the stream and took the village of Katyko, another force advanced on the city from Gharpat to the north.

DEATHS

William Weikert

Word has been received here of the death Thursday in Philadelphia of William Weikert, aged about 69 years, son of the late George and Rebecca Weikert. He was born and raised near Knoxlyn Mills. Death was caused by pneumonia.

Mr. Weikert, who was a carpenter, is survived by his widow and a daughter, Ruth, of Philadelphia. The body was cremated. Funeral rites at 10 o'clock Monday morning in Philadelphia.

Harvey Stoner Leib

Harvey Stoner Leib, 71, retired farmer, died suddenly Friday night at the home of his son-in-law and daughter, Mr. and Mrs. Ralph Dolheimer, with whom he resided, Thomasville R. 1.

Mr. and Mrs. Dolheimer had gone away about 7 p. m., leaving Mr. Leib at home playing the radio. When they returned two hours later, they found Mr. Leib dead. Coroner L. U. Zech issued the certificate, giving a heart attack as the cause of death.

Surviving are five children, Mrs. Dolheimer, Mrs. Roger Wildasin, Abbottstown; Russell Leib, Bainbridge, and Hilliard and Archie Leib, Abbottstown; also two sisters, Mrs. Frank Kauffman, Thomasville, and Mrs. Jennie Hamme, Abbottstown.

Nine Race Horses Worth \$30,000 Burn

Louisville, Ky., May 20 (AP)—Nine race horses and one pony were destroyed early today when fire razed one of the barns at historic Churchill Downs.

Hundreds of thoroughbreds were stabled at the track but only about 30 had to be turned loose. In addition to the horses which were destroyed, another racer was missing several hours after the fire was brought under control.

Value of the nine horses lost in the fire was variously estimated at from \$30,000 to \$50,000. There was no outstanding racer among them.

Seek 16 Kiddies In "Witchcraft" Probe

Apizaco, Mexico, May 20 (AP)—Police investigating the activities of a couple under arrest in connection with a so-called "witchcraft" case searched today for 16 children reported missing and feared slain.

Precautions were taken to prevent enraged villagers from lynching the couple. Police said bodies of two children and the skeleton of a dog had been found on their premises.

Swiss Radio Says Allies Near Rome

London, May 20 (AP)—The Swiss radio, quoting reports from Bari, said today Allied troops have entered the province of Rome.

There was no official Allied confirmation of the report. (Whether the broadcast indicated any significant new Allied gain was not immediately clear.)

15 Face Utah Court In Polygamy Cases

Salt Lake City, Utah, May 20 (AP)—For the first time since the case was broken by Federal and State officers more than two months ago, one phase of Utah's complex plural marriage investigation reached the conviction or acquittal stage today.

District Judge Jay Van Cott, Jr., summoned 15 Salt Lake City men to court for his verdict on a state charge they lived with from two to six women each — 55 altogether — who were not their legal wives.

Defense Attorney Knox Patterson argued that to convict the 15 men would be to brand their children—and those of "hundreds of other persons doing the same thing"—as illegitimate.

RESISTANCE OF JAPANESE IN S. PACIFIC WANES

Advance Allied Headquarters, New Guinea, May 20 (AP)—Swift repair of captured Wakde airfield and desolation of Rabaul's once formidable network of airdromes were reported by headquarters today along with new naval bombardments and air attacks aimed at erasing Japanese resistance from New Guinea to the northern Solomons.

This was the latest situation depicted in a mounting campaign by Gen. Douglas MacArthur to win the rest of New Guinea between him and the Philippines while at the same time killing or capturing 140,000 Japanese his forces have bypassed.

Dutch New Guinea—American engineers, going to work while conquering soldiers moved against Japanese pocketed on the northeast end of Wakde Island, are expected "very shortly" to have the 4,700-foot airfield ready for Allied planes. Northwest of Wakde, even sporadic interception has ceased at Schouten Island bases of the enemy under the continued pounding of MacArthur's air arm. Hollandia, 110 miles southeast of Wakde, was attacked by a single enemy plane which wounded a few men and caused slight damage.

Control Long Coast

British New Guinea—Altape, 150 miles southeast of Hollandia, is so thoroughly consolidated that American patrols now control the coast for 60 miles; in the bypassed 200 miles between the Altape holdings and Bunabun, where thousands of enemy troops are being compressed in a narrowing trap, warships shelled three harbors and Karkar Island while planes ripped into dwindling supplies, communications and airfields.

New Britain—Rabaul's five airdromes were reported useless by American pilots returning to Solomon bases Wednesday from a 116-ton bombing attack, with only two planes in sight where once there were hundreds.

New Ireland—Isolated Kavieng's airdrome was dive bombed and, for the first time, headquarters specified that the attackers came from nearby Emiau Island in the St. Matthias group.

Northern Solomons—Torpedo bombers, dive bombers and fighter bombers swept the Bougainville coast from south to north while patrol planes clashed at one end of the dominating American position at Empress Augusta Bay.

In the area between Australia and New Guinea, Dutch fliers attacked three small Japanese ships off the Tanimbar islands, sinking one, causing abandonment of the second, and damaging the third.

Alaska is a corruption of a native word meaning peninsula.

Dewey Picks Up 15 Votes In Oregon

Portland, Ore., May 20 (AP)—Gov. Thomas E. Dewey captured Oregon's 15 delegates to the Republican national convention in a sweep that brought from backers today the cry "he's beyond stopping now."

Late returns widened the margin by which the New Yorker triumphed in yesterday's Republican preferential primary over Lt. Commander Harold E. Stassen and Gov. John W. Bricker of Ohio and brought Dewey's pledged and claimed delegate total to 339.

Tabulations from 787 of 1,828 precincts gave: Dewey, 12,331; Stassen, 1,770; Bricker, 936.

Wayne L. Morse, lawyer and farmer public member of the War Labor Board, stretched his lead for the Republican senatorial nomination over Senator Rufus C. Holman, seeking a second term. This was the hard-fought race of the primary. Holman assailed Morse as a "New Deal carpet bagger" and Morse labeled Holman a "dangerous isolationist."

A total of 831 precincts gave Morse 26,692, Holman 23,029.

GOP CHIEFS IN SESSION TODAY

Philadelphia, May 20 (AP)—State Republican leaders met here today for the biennial reorganization meeting of the state committee and a caucus of delegates to the Chicago national convention.

Main interest centered in the caucus of the commonwealth's 70 delegates although no pre-convention endorsement is expected—"as a courtesy," spokesmen have said, to presidential possibilities who will attend the governors' conference in Hershey beginning May 29.

However, Delegate W. Clyde Harer, of Williamsport, issued a statement last night demanding that New York Governor Thomas E. Dewey—who polled 146,706 Republican write-in votes in the April 25 primary, an official count revealed yesterday—be endorsed for the presidential nomination at this afternoon's caucus. The number of votes cast for Dewey, who has consistently denied that he is a candidate, was almost three times greater than in 1940 when he was an active candidate.

In the great operation deep into enemy-held regions of the Pacific the Japanese Navy failed to offer the slightest resistance. The carrier-borne planes destroyed 19 enemy aircraft on the ground in the strike at Soerabaja, which is on Java to the northwest of Darwin, Australia.

Of the few enemy planes that accepted the Allied challenge, two were shot down.

BROWNS DUMP YANKEES OUT OF TOP SPOT

By JACK HAND

Associated Press Sports Writer
If you've been counting the St. Louis Browns out of the American league pennant race because of their poor eastern trip, better revise the figures and look again. Luke Sewell has them back in first place today.

After winning their first nine, the Browns started to slip, blew an entire series in Philadelphia and fell off the top. St. Louis' dreams of a Sportsman's park world series faded and they began to tab Luke Sewell's crew "Morning Glories."

Since leaving Missouri soil over two weeks ago the Browns, only team never to win a pennant, have taken only five of 14 games. They had lost seven out of 10 to their eastern rivals before they grabbed a 6-5 edge over the Yankees yesterday at New York. But Joe McCarthy's crew has been drooping too.

Tigers Beat Senators

It was the first time the world champions had seen the Browns this season and Nelson Potter gave them an eye full with a neat six-hit job while Mark Christman and Al Zarilla banged out their first homers. Bud Metheny and Ed Levy also hit for the circuit but couldn't save Atley Donald from his second loss and the New Yorkers from their fourth straight defeat.

Detroit tumbled Washington into third place behind Johnny Gorsica's tight seven-hit twirling as Rudy York banged out two hits and drove in half the runs of the Tigers 4-1 edge. Word that Catcher Al Evans had received a medical discharge from the Navy and soon would rejoin the Senators was the only good news for Washington fans.

Philadelphia's luck continued to run bad as Cleveland's Al Smith hung up his first triumph of the year by a 9-1 count, scattering nine hits.

Mike Ryba capped off three hitless innings as a relief hurler by singling home the winning run in the last of the 12th for Boston's 3-2 shade over Chicago.

Bucs Bounce Burns

Pittsburgh swept the series from Brooklyn in the National, advancing into third place on a 5-2 victory. Vince DiMaggio's third homer was the big wallop of a four-run spurt in the seventh.

Mort Cooper came up with a sore elbow after two trying innings as Jim Tobin pitched Boston to a 4-3 nod over the St. Louis Cardinals whose lead was sliced to three and a half games when Cincinnati out-slugged the Phils, 7-5. It was the first appearance for Clyde (no-hit) Shoun of the Reds after his near perfect job Monday.

Chicago collected only three hits but they were enough for a 3-2 verdict over New York with the help of Hugh Luby's error with the bases loaded.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, May 20 (AP)—Delaware Park has dropped the daily double for several reasons, including "a question among the directors whether the daily double is a desirable form of wagering." . . . That serves to bring out the point that horse racing does exist in some places for other purposes than extracting as much dough as possible from the public. . . . Delaware and Keeneland are the biggest non-profit tracks—skipping such obviously unprofitable ventures as Gulfstream Park and the Albany, Calif., track—and in the pre-mutual days nobody ever thought the New York tracks were exactly rolling in money. . . .

THERE'S NOTHING NEW

If you thought Bucky Walters and Clyde Shoun were hot stuff when they pitched a one-hitter and a no-hitter for the Reds on successive days, listen to this report from Bill Diehl of Norfolk, Va. Ledger-Dispatch . . . when Norfolk's bitter high school rivals, Maury and Granby, clashed recently, two Maury pitchers did the same trick on one afternoon, with added flourishes. . . . first Billy Rainier tossed a one-hit, 7-0 victory over Granby and shortstop Allen Richter made two hits. . . . then they traded positions and Richter hurled a 21-0 no-hitter and Rainier led the attack with five or six.

A ROOKIE A DAY

James Ruffus, Gentry, Tigers' pitcher; Ruff opened the International league season for Buffalo last year by pitching a no-hitter against Newark and rang up 20 victories, including seven shutouts, before the Tigers rang him up late in the season. . . . lost three of four at Detroit last fall and dropped four straight this spring before hanging up his first victory. . . . a workhorse who gets into plenty of games every season. . . . started pro ball with Landis of the North Carolina state league but since he broke into the majors he hasn't tangled with Landis yet.

SERVICE DEPT.

Brig. Gen. U. G. Ent. commander of the Second air force, finally has given the official word that there'll be a football team representing the force next fall. Headquarters will be at Colorado Springs, but all groups and bases will contribute players and games will be played in key cities where a maximum number of servicemen can see them. . . . Joe Petritz, former Notre Dame drummer, has been promoted to full lieutenant in the Navy somewhere on the other side. He's an armed guard commander and reports the only casualty so far came when he ran over the ship's cook on the way to his station when they had an alert.

CLEANING THE CUFF

That story about Don Burnham going from Dartmouth to Cornell to complete his medical course sounds good — only its Cornell Medical College in New York so Don won't be on anybody's track team. . . . Michigan state, which will play only all-civilian football teams next fall, is ready to book all comers for 1945. The Spartans' baseball schedule, incidentally, lists only two college rivals.

PICK BAKSI TO WIN

New York, May 20 (AP)—Although he lost a close 10-round decision to Lee Savold in their first meeting, Joe Baksi, of Kulpmont, Pa., is favored to win their 12-round scrap at Madison Square garden next Friday night. Early odds listed Baksi a 7 to 5 favorite.

REJECT PETITION

Harrisburg, May 20 (AP)—A petition of the Branch Motor Express company of Allentown, asking for reconsideration of a Public Utility Commission order dismissing the company's objections to a 1941 general assessment was rejected Thursday by the PUC.

DON BURNHAM ENTERS FOUR IC-4A EVENTS

By HAROLD CLAASSEN

Philadelphia, May 20 (AP)—The manpower situation is such that Don Burnham, young Dartmouth medical student, has picked himself a three-fold task in today's 68th annual IC-4A track meet on Franklin Field although 30 eastern colleges have entered 403 athletes.

Burnham will defend his mile title, won a year ago with a 4:18.2 scamp; seek the half-mile laurels and compete on the New Hampshire Indians mile relay team in the hope of bringing Dartmouth its first outdoor title.

Despite his talent and ambitions, the U. S. Military Academy at West Point, N. Y., is the favorite in this second war-time cinder conclave.

Cadets Strong

The Cadets annexed the indoor crown in Madison Square Garden last winter and have lost only Leon Dombrowski since then. Dombrowski, a weight thrower, has gone on to advance flight training.

Dartmouth, however, is expected to place high, along with Navy and defending champion New York University.

The Middies, second to NYU last spring and second to Army on the boards, were ranked as equal favorites with the Cadets until it was reported that Ken Longnecker and Anson Geiger, both top notch hurdlers, were ailing and that Bill Patton, javelin champion of last year, was troubled with a sore elbow.

Burnham has failed twice previously in attempts to turn in the middle distance double and this year he's added another 440-yard stint in the mile relay, closing feature of a 16-event program compressed into one afternoon's entertainment.

Prelims This Morning

Preliminaries are scheduled for this morning with the finals after lunch.

Because of Burnham's presence, the Big Green Four draws recognition in the baton race although Army also is favored here.

The Cadets won the same event at the Penn Relays and later cruised the distance in 3:20.8 on their home oval, with George Berger their anchor man. His mates are Bill Whittington, Bob Conrad and Jerry Morrow.

Two athletes who were ineligible for the winter meet expect to annex points today. Herb McKenley of Boston College, a British West Indies product, did 48.3 last week in 440 and Norm Wasser, Freshman NYU shot putter, consistently nicks 48 feet.

HARTFORD WINS TO TAKE LEAD

By The Associated Press

Hartford's Laurels, sitting on top of the eastern baseball league ladder by virtue of last night's 5 to 2 victory over Elmira's Pioneers had a chance to enjoy the change in altitude as all the clubs rested for tomorrow's round of doubleheaders. The Laurels, who had a slow climb from the second division before they reached their half-game margin over Wilkes-Barre Barons, made it a clean sweep of their three-game series over the Pioneers last night.

The defeat was costly to the pioneers for they lost the services of First Baseman Wally Nowak, who suffered a broken right arm when hit by a pitched ball in the third inning. He will be out for at least a month and the only replacements on hand are on the pitching staff.

Divide Pair
The Barons found it tough going as they split a twin bill with Utica's fifth place Braves, winning the seven-inning opener 2 to 1 and dropping the Nightcap, 5 to 4.

Collegian Ernie Sills pitched his Williamsport teammates to a 7 to 4 win over Albany's Senators as the Grays ended a six-game home stand with an even break. The bespectacled George Washington university product had to yield 10 hits but managed to keep them scattered.

Spartan's defending champion Red Sox, now sitting in seventh place managed to eke out an 11 to 9 decision over Binghamton after the cellar-dwelling triplets kicked away a four-run lead in the eighth inning to enable the visitors to make a clean sweep of the series.

Leahy To Princeton For Naval Course

South Bend, Ind., May 20 (AP)—

Frank Leahy has bade farewell to Notre Dame, to report at Princeton university next week for his indoctrination course in the Navy. And he has left an enviable record in the three years he coached Irish football teams.

Leahy-coached grid teams at Notre Dame suffered only three defeats in 30 games. Lt. Leahy came to his Alma Mater from Boston college where he coached for two years and his teams won 14, lost two and had three tie games.

PENSIVE NOT TO RACE TODAY

By TED MEIER

New York, May 20 (AP)—With Pensive and Platter staying in their stalls and no Count Fleet around today's 68th running of the \$15,000 added Withers mile at Belmont Park shaped up as a wide-open race for 15 three-year-olds.

Despite the absence of Warren Wright's Kentucky Derby and Preakness winner and George Widener's Preakness runnerup, a crowd of more than 40,000 was anticipated at the attractive Long Island track. Both have been trained for longer distances and are pointing for the mile and a half Belmont stakes.

Although W. C. Hobson's Diavola and Mrs. George Poulsen's Broadcloth, two of the early pace makers in the Derby, were among the 15 entries, the overnight odds favored Alfred Parker's By Jimminy, a colt who missed the Derby because of an ankle injury.

W. Ziegler's Bounding Home, Harry Lamontagne's Rodney Stone, ruled second choice with Broadcloth, runnerup to Pensive in the Derby, and C. V. Whitney's Hoodoo, held at 8 to 1 in the morning line.

Ranked as ten to one or better long shots were Mrs. Payne Whitney's Broad Grin; the Cain Hoy stables' Bellweather; W. E. Boeing's Foot Free; Crispin Oglebay's Boy Knight; Diavola; Mrs. Tilyou Christopher's Bel Reigh; Mrs. D. H. Peters' Bull Dandy; Woodvale farms' Kaytee; and Ravenala.

OWLS RETAIN LEAGUE LEAD

By The Associated Press

Getting off to a two-run lead in the first inning, the Hagerstown Owls continued their lead in the interstate league series by defeating the Wilmington Blue Rocks 4-2 before 800 fans last night.

Rothman, Hagerstown's left fielder, led an 11-hit attack on Roger McKee with two singles and a double.

Wilmington's Guy Glaser hit a home run over the left field fence in the second inning.

At York, the Allentown Wings won their sixth straight game by defeating York 8-6. York committed 10 errors while Allentown Pitchers yielded 13 bases on balls.

Trenton won its first game in three by tripping Lancaster 8-5 in the opener of a four game series at Trenton. Bill Wood pitched the first inning for Lancaster and then retired with a sore arm. The visiting team tied the score at 1-all in the fourth, but Trenton took the lead in the fifth by chasing five runs across the plate. Six of Trenton's seven safeties in that inning were infield singles.

Today's schedule: Lancaster at Trenton, Hagerstown at Wilmington, Allentown at York.

New York, May 20 (AP)—Delaware Park has dropped the daily double for several reasons, including "a question among the directors whether the daily double is a desirable form of wagering." That serves to bring out the point that horse racing does exist in some places for other purposes than extracting as much dough as possible from the public. . . . Delaware and Keeneland are the biggest non-profit tracks—skipping such obviously unprofitable ventures as Gulfstream Park and the Albany, Calif., track—and in the pre-mutual days nobody ever thought the New York tracks were exactly rolling in money. . . .

THERE'S NOTHING NEW

If you thought Bucky Walters and Clyde Shoun were hot stuff when they pitched a one-hitter and a no-hitter for the Reds on successive days, listen to this report from Bill Diehl of Norfolk, Va. Ledger-Dispatch when Norfolk's bitter high school rivals, Maury and Granby, clashed recently, two Maury pitchers did the same trick on one afternoon, with added flourishes. . . . first Billy Rainier tossed a one-hit, 7-0 victory over Granby and shortstop Allen Richter made two hits. . . . then they traded positions and Richter hurled a 21-0 no-hitter and Rainier led the attack with five or six.

A ROOKIE A DAY

James Rufus Gentry, Tigers' pitcher, Rufe opened the International league season for Buffalo last year by pitching a no-hitter against Newark and rang up 20 victories, including seven shutouts, before the Tigers rang him up late in the season. . . . lost three of four at Detroit last fall and dropped four straight this spring before hanging up his first victory. . . . a workhorse who gets into plenty of games every season. . . . started pro ball with Landis of the North Carolina state league but since he broke into the majors he hasn't tangled with Landis yet.

SERVICE DEPT.

Brig. Gen. U. G. Ent, commander of the Second air force, finally has given the official word that there'll be a football team representing the force next fall. Headquarters will be at Colorado Springs, but all groups and bases will contribute players and games will be played in key cities where a maximum number of servicemen can see them.

Joe Petritz, former Notre Dame drummer, has been promoted to full lieutenant in the Navy somewhere on the other side. He's an armed guard commander and reports the only casualty so far came when he ran over the ship's cook on the way to his station when they had an alert.

CLEANING THE CUFF

That story about Don Burnham going from Dartmouth to Cornell to complete his medical course sounds good — only its Cornell Medical College in New York so Don won't be on anybody's track team. . . . Michigan state, which will play only all-civilian football teams next fall, is ready to book all comers for 1945. The Spartans' baseball schedule, incidentally, lists only two college rivals.

PICK BAKSI TO WIN

New York, May 20 (AP)—Although he lost a close 10-round decision to Lee Savold in their first meeting, Joe Baksi, of Kulpmont, Pa., is favored to win their 12-round scrap at Madison Square garden next Friday night. Early odds listed Baksi a 7 to 5 favorite.

REJECT PETITION

Harrisburg, May 20 (AP)—A petition of the Branch Motor Express company of Allentown, asking for reconsideration of a Public Utility Commission order dismissing the company's objections to a 1941 general assessment was rejected Thursday by the PUC.

DON BURNHAM ENTERS FOUR IC-4A EVENTS

By HAROLD CLAASSEN

Philadelphia, May 20 (AP)—The manpower situation is such that Don Burnham, young Dartmouth medical student, has picked himself a three-fold task in today's 68th annual IC-4A track meet on Franklin Field although 30 eastern colleges have entered 403 athletes.

Burnham will defend his mile title, won a year ago with a 4:18.2 scamp; seek the half-mile laurels and compete on the New Hampshire Indians mile relay team in the hope of bringing Dartmouth its first outdoor title.

Despite his talent and ambitions, the U. S. Military Academy at West Point, N. Y., is the favorite in this second war-time cinder conclave.

Cadets Strong

The Cadets annexed the indoor crown in Madison Square Garden last winter and have lost only Leon Dombrowski since then. Dombrowski, a weight thrower, has gone on to advance flight training.

Dartmouth, however, is expected to place high, along with Navy and defending champion New York University.

The Middies, second to NYU last spring and second to Army on the boards, were ranked as equal favorites with the Cadets until it was reported that Ken Longmeyer and Anson Geiger, both top notch hurdlers, were ailing and that Bill Patterson, javelin champion of last year, was troubled with a sore elbow.

Burnham has failed twice previously in attempts to turn in the middle distance double and this year he's added another 440-yard stint in the mile relay, closing feature of a 16-event program compressed into one afternoon's entertainment.

Prelims This Morning

Preliminaries are scheduled for this morning with the finals after lunch.

Because of Burnham's presence, the Big Green Four draws recognition in the baton race although Army also is favored here.

The Cadets won the same event at the Penn Relays and later cruised the distance in 3:20.8 on their home oval, with George Berger their anchor man. His mates are Bill Whittington, Bob Conrad and Jerry Morrow.

Two athletes who were ineligible for the winter meet expect to annex points today. Herb McKenley of Boston College, a British West Indies product, did 48.3 last week in 440 and Norm Wasser, Freshman NYU shot putter, consistently nicks 48 feet.

HARTFORD WINS TO TAKE LEAD

By The Associated Press
Hartford's Laurels, sitting on top of the eastern baseball league ladder by virtue of last night's 5 to 2 victory over Elmira's Pioneers, had a chance to enjoy the change in altitude as all the clubs rested for tomorrow's round of doubleheaders.

The Laurels, who had a slow climb from the second division before they reached their half-game margin over Wilkes-Barre Barons, made it a clean sweep of their three-game series over the Pioneers last night.

The defeat was costly to the Pioneers for they lost the services of First Baseman Wally Nowak, who suffered a broken right arm when hit by a pitched ball in the third inning. He will be out for at least a month and the only replacements on hand are on the pitching staff.

Divide Pair
The Barons found it tough going as they split a twin bill with Utica's fifth place Braves, winning the seven-inning opener 2 to 1 and dropping the Nightcap, 5 to 4.

Collegian Ernie Sills pitched his Williamsport teammates to a 7 to 4 win over Albany's Senators as the Grays ended a six-game home stand with an even break. The bespectacled George Washington university product had to yield 10 hits but managed to keep them scattered.

Scranton's defending champion Red Sox, now sitting in seventh place, managed to eke out an 11 to 9 decision over Binghamton after the cellar-dwelling triplets kicked away a four-run lead in the eighth inning to enable the visitors to make a clean sweep of the series.

Leahy To Princeton For Naval Course

South Bend, Ind., May 20 (AP)—Frank Leahy has bade farewell to Notre Dame, to report at Princeton university next week for his indoctrination course in the Navy, and he has left an enviable record in the three years he coached Irish football teams.

Leahy-coached grid teams at Notre Dame suffered only three defeats in 30 games. Lt. Leahy came to his Alma Mater from Boston college where he coached for two years and his teams won 14, lost two and had three tie games.

Pensive and Platter staying in their stalls and no Count Fleet around, today's 69th running of the \$15,000 added Withers mile at Belmont Park shaped up as a wide-open race for 15 three-year-olds.

Despite the absence of Warren Wright's Kentucky Derby and Preakness winner and George Widener's Preakness runnerup, a crowd of more than 40,000 was anticipated at the attractive Long Island track. Both have been trained for longer distances and are pointing for the mile and a half Belmont stakes.

Although W. C. Hobson's Diavolo and Mrs. George Poulsen's Broadcloth, two of the early pace makers in the Derby, were among the 15 entries, the overnight odds favored Alfred Parker's By Jimminy, a colt who missed the Derby because of an ankle injury.

W. Ziegler's Bounding Home, Harry Lamontagne's Rodney Stone, ruled second choice with Broadcloth, runnerup to Pensive in the Derby, and C. V. Whitney's Hoodoo, held at 8 to 1 in the morning line.

Ranked as ten to one or better long shots were Mrs. Payne Whitney's Broad Grin; the Cain Hoy stable's Bellwether; W. E. Boeling's Foot Free; Crispin Oglebay's Boy Knight; Diavolo; Mrs. Tillyou Christopher's Bull Dandy; Woodvale farms' Kaytee; and Ravenala.

ARENDSVILLE TROUNCES E. B.

Arendtsville high extended its winning streak to four in a row by drubbing the East Berlin high nine at East Berlin Friday afternoon 12-2.

Paul Fissel, Arendtsville hurler, kept his opponents safe at all times, permitting but four hits while his teammates pounded out 14.

Arendtsville will close its season Tuesday afternoon by meeting Biglerville at Arendtsville. Biglerville won by a large score in a previous meeting.

QUATRAINS

SENSE OF VALUE

A dollar's value well he knew;

What, taken care of, dollars do,

But knowing little of a child,

He let his growing son run wild.

GOLF WINNER

Tis easy at the eighteenth green

To know the winner.

A tiger's face as smug is seen

When he's had dinner.

PHEASANTS

So proudly pheasants strut about

In plumage bronze and brown,

You'd think they'd heard a movie

Had come to town.

UNDISTURBED

So true to form they grow;

So fair to look upon;

The flowers don't seem to know

A war is going on.

Today's Talk

THE ENJOYMENT OF BEAUTY

There should be no competition

in the enjoyment of beauty, or its

inner appreciation. No two or

several tastes ever agree—but

that's the joy of it. "I suspect,"

said Thoreau, "that the child

plucks its first flower with an in-

sight into its beauty and signifi-

cance which the subsequent botan-

ist never retains."

Just so. Therein lie both the fasci-

nation and the urge for the at-

tainment of the joy that the dis-

covery of beauty offers. The child

cannot explain, but this fact in no

way detracts from its enjoyment

and wonder.

No one of us ever looks upon

anything of beauty in exactly the

same way. We may see many of

the same manner as another—but

the same manner as another—but

there is always something specially

personal that each lover of beauty

takes to himself alone. This ac-

counts for the appeal that each

variety of arrangement, color, and

selection has for each of us.

Not only is there enjoyment in

the appreciation and love of

beauty, but there is to it great en-

richment. All the finer senses are

stimulated, and something like a

cool, fresh wind surges through

one when touched by this exotic

force. There is a physical reac-

tion, as well as a mental and

spiritual one, when beauty takes

hold of us.

Even among the earliest races

upon this earth, as well as

among the savages of jungles and

undeveloped areas, has this appeal

of beauty been felt. It seems to

have been planted in the human

heart, and bequeathed as an ever-

lasting heritage.

There is a peaceful quality, as

well, to all beauty. It drives out

the baser elements of our nature

and tends to spiritualize us. All

about this earth is beauty scat-

tered—in the heavens at night,

and upon every spot where Nature

needs Rivers, seats, forests, moun-

tain ranges and flower-scented

fields—all proclaim its superiority.

Said Vachel Lindsay: "Faint

streets are better than silver; green

parks are better than gold." The

enjoyment of beauty crushes ugliness,

and drives ignorance away.

Today's Talk

THE ENJOYMENT OF BEAUTY

There should be no competition in the enjoyment of beauty, or its inner appreciation. No two or several tastes ever agree—but that's the joy of it. "I suspect," said Thoreau, "that the child plucks its first flower with an insight into its beauty and significance which the subsequent botanist never retains."

Just so. Therein lie both the fascination and the urge for the attainment of the joy that the discovery of beauty offers. The child cannot explain, but this fact in no way detracts from its enjoyment and wonder.

No one of us ever looks upon anything of beauty in exactly the same way. We may see many of the same manner as another—but the same manner as another—but there is always something specially personal that each lover of beauty takes to himself alone. This accounts for the appeal that each variety of arrangement, color, and selection has for each of us.

Not only is there enjoyment in the appreciation and love of beauty, but there is to it great enrichment. All the finer senses are stimulated, and something like a cool, fresh wind surges through one when touched by this exotic force. There is a physical reaction, as well as a mental and spiritual one, when beauty takes hold of us.

Even among the earliest races upon this earth, as well as among the savages of jungles and undeveloped areas, has this appeal of beauty been felt. It seems to have been planted in the human heart, and bequeathed as an everlasting heritage.

There is a peaceful quality, as well to its beauty. It drives out the baser elements of our nature and tends to spiritualize us. All about this earth is beauty scattered—in the heavens at night, and upon every spot where Nature nests. Rivers, seas, forests, mountain ranges and flower-scented fields—all proclaim its superiority. Said Vachel Lindsay: "Fair streets are better than silver; green parks are better than gold." The enjoyment of beauty crushes ugliness, and drives ignorance away.

TEN YEARS AGO

Semi-Annual Furniture Show Opens: Gettysburg's semi-annual furniture show opened Monday in the C. W. Epley show room, York street, and in the permanent display room, York street.

The show is sponsored by the Gettysburg and Reaser furniture factories, of Gettysburg, the Peerless furniture company of Shippensburg, and the Hanover Cabinet company of Hanover. M. C. Jones is general manager.

Girl Completes Course: Miss Nellie Miller, daughter of Mr. and Mrs. Cleveland Miller, South Washington street, is a member of the class of nurses which was graduated several days ago from the nurses training school of St. Joseph's hospital, Baltimore.

County Couple Married: Miss Enid M. Pyles and George W. Martin, both of Straban township, were married at a nuptial mass at St. Francis Xavier Catholic church Monday morning at 7:30 o'clock, the Rev. Father Mark E. Stock, celebrant.

They were attended by Miss Rita Martin and James Martin.

Couple Wed at Nuptial Mass: Miss Dorothy Elizabeth Florence, daughter of Mr. and Mrs. Romanus Florence, of near Gettysburg, and Martin Andrew Redding, son of Mr. and Mrs. Edward J. Redding, near Gettysburg, were married at a nuptial mass at St. Joseph's Catholic church, Emmitsburg, Tuesday morning at 8 o'clock. The ceremony was performed by the Rev. Father Charles Stouter, assisted by the Rev. Father William J. Groeninger.

The couple was attended by Miss Loretta Mary Florence and L. Donald Redding, York.

Mr. Redding is manager of Miller's Auto Supply Store, Chambersburg street.

Grandsons of Generals Get Degrees Here: Colonel U. S. Grant, III, of Washington, D. C., grandson of General Ulysses S. Grant, and Dr. George Bolling Lee, of New York city, grandson of General Robert E. Lee, will return to Gettysburg for commencement exercises at Gettysburg college when they will be given honorary degrees of doctor of laws.

Select Honor Students Here: Frederick Harmon Furney, son of Mr. and Mrs. F. J. Furney, Stevens street, and Miss Charlotte Louise Waltemyer, daughter of Dr. and Mrs. W. C. Waltemyer, will be the first and second honor students respectively of the 1934 graduating class at Gettysburg high school, Prof. Guile W. Lefever, principal announced.

Furney plans to enter Gettysburg college in the fall. Miss Waltemyer is planning to enter Wilson College, Chambersburg.

Banquet For Father Stock in Eagle Hotel: The Testimonial dinner to the Rev. Father Mark E. Stock upon the occasion of the 25th anniversary of his ordination to the priesthood will be held in the Eagle Hotel dining room, Wednesday evening, June 6, at 7 o'clock, and not in Xavier hall.

Honor Editor of Fraternity Magazine Here: Exercises memorializing the founding of "The Magazine of Sigma Chi" and honoring the first editor, the Rev. Dr. Charles R. Trowbridge, of Easton, were held at Gettysburg college on Saturday. The feature of the exercises at Brua Chapel was the presentation of a plaque honoring the Rev. Dr. Trowbridge, which has been placed on the door of the room in Old Dorm, in which the first editor resided during his under-graduate days.

Local Lions at Regional Meeting: Eight members of the Gettysburg Lions' club attended a regional meeting at Shippensburg Thursday evening. Those in attendance were C. Ross Shuman, president; Dr. R. D. Wickerham, Emory H. Dougherty, Stewart Moyer, Dr. C. H. Heldt, C. Paul Cassina, John W. Brehm and William Beales.

250 Mothers Entertained at College: More than 250 mothers of Gettysburg college students attended Mother's Day exercises at the college over the week-end. The feature of the exercises was a collation at the Eddie Plank memorial gymnasium Saturday evening at which Miss Anna Jarvis, of Philadelphia, originator of Mother's Day was the principal speaker. Dr. Thomas L. Cline was the toastmaster.

Now is the time to consider making an investment not only in keeping your car "up" but in improving its general health. Replacement parts are coming through with increasing speed and quantity. It is a practical way to put the brakes on excessive junking of cars, and the public should be quick to fall in line with the idea. Hopefully is the theory that by making certain replacements it should be possible to make many a current car perform better than it ever did. This is particularly likely to be the case where owners replace automatic chokes, distributors, coils, carburetors, and clutches. What the industry now offers is a chance to

rebuild. Close observers say that for some time to come the "assembly lines" will actually be along auto service row.

Mechanic Joe Speaking

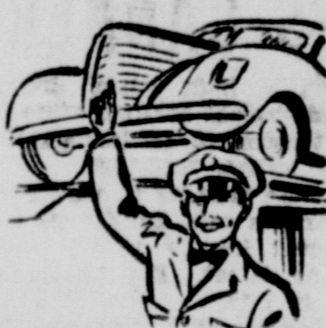

"Sometimes I get more cooperation from owners by pointing out that the special lubrication work I suggest is more for their own safety than for the health of their cars. They may not see that a little oil on the brake shoe anchors helps to cut wear on the lining but when I point out that, if brake shoes fail to return easily to the off position, there'll be eventual lack of equalization any sensible owner knows this may affect his stopping safety."

"Among little oiling jobs that go a long way toward personal safety are such matters as preventing rear spring breakage, checking friction and wear along the steering assembly, and looking after those frequently neglected front wheel bearings. Oil up for safety, if you can't see being too kind to the car."

Experience is showing that there has been a tendency to over-inflate

tires. Evidence of this is found in excessive wear on the center of the tread. This wear is so even that there is no suggestion of anything wrong with camber, caster or toe-in. Where this condition is found it is well to run with the tires back to normal pressure. This not only will check wear on the tread center but will help equalize wear by bringing the shoulders into contact with the road surface.

Heavy Oil No Benefit

When your oil mileage takes a nose dive you naturally are tempted to try a heavier grade of lube. But the truth is that heavier oils increase crankcase dilution, invite overheating and boost repair costs. Because it does not lubricate as well, an oil heavier than the car manufacturer

recommends actually starves the cylinders when the engine first starts. Because it lowers cranking speed it makes starting harder and necessitates additional cranking. That means more dilution. With the bearings and cylinder walls not as well oiled operating temperatures rise and friction increases. In many cases too heavy oil suddenly breaks down, with good possibility of exhaust day or when the car is pressed excessively high oil consumption on a into hard use on a trip.

Expensively We Roll

According to the AAA the average mile cost of car operation has risen to 9.8 cents as compared with the prewar 5.9 cents per mile. But that represents an average. Just one big repair bill, with today's very limited

mileage, may jump your mile cost way up. Drop \$75 on a motor overhaul and you'll add 5 cents per mile to the cost of operating your car over a 1,500-mile stretch. There's another angle to the subject, however. Don't overlook the fact that you may be rebuilding your car, thus lengthening its life of usefulness and keeping up its eventual trade-in or sale value. Also, since the earliest days a sizeable proportion of car owners never have considered mile cost as

Work And Pray On D-Day Says Martin

Pittsburgh, May 20 (AP)—D-Day should be observed by work and prayer. Governor Martin urged yesterday, adding that war production must continue on invasion day and every day until victory is won.

"At no time until victory is complete—and that will be announced by our military command—should people cease work," he said on a visit in the Pittsburgh district.

ASK SHOPPERS TO HELP SAVE PAPER BAGS, ETC.

By JAMES MARLOW and GEORGE ZIELKE

Washington, May 20 (AP)—The government will make a nationwide appeal to housewives—probably next week—to carry their own bags when they go shopping.

This is part of a general plan—with some of the details outlined below—to save on paper bags, wrapping paper and cartons and similar paper products.

The supply of that kind of paper is tight now and will be more so in the months ahead.

The reason: Heavy demands for overseas shipping and the slowed-up production, because of heavy rains in the south, of the wood-pulp which goes into those paper items.

Make Own Bags

The appeal to housewives will come from the War Production and the War Food Administration at the request of retailers who want shoppers to know the problem and to cooperate.

To avoid any rush to buy material which might be used for other purposes, housewives will be asked to make their shopping bags out of old cloth they have around their homes.

And this is the list of suggestions for storekeepers:

Don't wrap packages already wrapped, such as packaged goods; don't use a large paper bag when a small one will do; don't use heavy wrapping paper for a lightweight item; don't use unnecessary stuffings.

Encourage customers to return bags to the stores so they can be used again.

WPD says some cartons and some packaged goods will be larger or smaller than now when a change in size will save paper although the net weight will remain unchanged.

New fiber board cartons are all under priority ratings although there are no controls on second-hand cartons.

There will be increased emphasis on re-use of cartons by shippers for WPD, some can be used 5 or 6 times if carefully handled.

MONDAY AND TUESDAY
Already heralded as one of the fastest-moving comedies to be turned out by Hollywood in recent years, Paramount's "Standing Room Only," which arrives Monday at the Majestic theatre is living up to advance notices.

The picture, which stars Paulette Goddard and Fred MacMurray, with Edward Arnold, Roland Young and Porter Hall as supporting players, is shaking the country over, according to reports. The story concerns the rooming shortage in Washington and on this theme is built the completely wacky story which is said to be provoking gales of laughter.

Paulette and Fred are called upon to fill roles of cook and butler, quite by accident, in order to get overnight lodgings in the nation's capital. The arrangement is so convenient that they decide to carry on as domestic servants.

WEDNESDAY
Helen Vinson, the glamorous Hollywood actress, who appears with Donald O'Connor, Peggy Ryan and Ann Blyth in Universal's "Chip Off the Old Block," playing Wednesday at the Majestic theatre, is an authority on soy beans.

Her interest in agriculture is not a Johnny-come-lately whim. It started two years before Pearl Harbor when she bought a farm, 170 acres, near Williamsburg, Va.

In his latest starring role Donald O'Connor gives a stellar performance that contributes largely to the film being one of the merriest of the season.

"Tunisian Victory" presents for the first time a motion picture jointly produced by the governments of the United States and Great Britain. Released through M-G-M, it tells how these two countries combined in one operation their armies, navies and air forces to wrest Northwest Africa from the Nazis.

Senator Forces Saturday Session

Washington, May 20 (AP)—The Senate was forced into an unusual Saturday session today by Senator Langer (R-ND) who complains that he can't understand the "simplified" tax bill.

He took three hours and 20 minutes yesterday to tell the Senate part of what he couldn't understand and he planned to seek additional time today to elaborate.

Langer's "Ignorance" developed when Senator George (D-Ga.), chairman of the Finance committee, refused to let the bill go over until Monday. After reading the measure, Langer said he also had before him a 54-page report and a 77-page explanatory pamphlet.

"Right now," said Langer, "I couldn't vote 'yes' or 'no'. Here is a provision amending Section 47 of the Revenue act.

"I don't know what Section 47 is. How am I going to vote to add a paragraph to a section I don't know anything about."

Some 10,000 items are now packaged in glass.

When a man asks you to marry him, that's love. And when a vaudeville asks you to be his stage partner, that's business. But when the man is a vaudeville, asks you to marry him, and to be his stage partner as well—that's the history of Nora Bayes—one of America's best-remembered singers whose life is the basis for Warner Bros.' new picture, "Shine On Harvest Moon," coming to the Majestic theatre on Thursday. Starring Ann Sheridan as Nora Bayes, and Dennis Morgan as Jack Norworth, her husband, the film depicts the rise of the first of the torch-singers from her early days in a Milwaukee honky-tonk, to the success which eventually befell her as one of the biggest of Ziegfeld stars.

MONDAY AND TUESDAY
Already heralded as one of the fastest-moving comedies to be turned out by Hollywood in recent years, Paramount's "Standing Room Only," which arrives Monday at the Majestic theatre is living up to advance notices.

The picture, which stars Paulette Goddard and Fred MacMurray, with Edward Arnold, Roland Young and Porter Hall as supporting players, is shaking theatre patrons with laughter the country over, according to reports. The story concerns the rooming shortage in Washington and on this theme is built the completely wacky story which is said to be provoking gales of laughter.

Paulette and Fred are called upon to fill roles of cook and butler, quite by accident, in order to get overnight lodgings in the nation's capital. The arrangement is so convenient that they decide to carry on as domestic servants.

WEDNESDAY
Helen Vinson, the glamorous Hollywood actress, who appears with Donald O'Connor, Peggy Ryan and Ann Blyth in Universal's "Chip Off the Old Block," playing Wednesday at the Majestic theatre, is an authority on soy beans.

Her interest in agriculture is not a Johnny-come-lately whim. It started two years before Pearl Harbor when she bought a farm, 170 acres, near Williamsburg, Va.

In his latest starring role Donald O'Connor gives a stellar performance that contributes largely to the film being one of the merriest of the season.

"Tunisian Victory" presents for the first time a motion picture jointly produced by the governments of the United States and Great Britain. Released through M-G-M, it tells how these two countries combined in one operation their armies, navies and air forces to wrest Northwest Africa from the Nazis.

THURSDAY, FRIDAY, SATURDAY

Dennis Morgan who plays opposite Ann Sheridan in "Shine On Harvest Moon."

Senator Forces Saturday Session

Washington, May 20 (AP)—The Senate was forced into an unusual Saturday session today by Senator Langer (R-ND) who complains that he can't understand the "simplified" tax bill.

He took three hours and 20 minutes yesterday to tell the Senate part of what he couldn't understand and he planned to seek additional time today to elaborate.

Langer's "ignorance" developed when Senator George (D-Ga), chairman of the Finance committee, refused to let the bill go over until Monday. After reading the measure, Langer said he also had before him a 54-page report and a 77-page explanatory pamphlet.

"Right now," said Langer, "I couldn't vote 'yes' or 'no.' Here is a provision amending Section 47 of the Revenue act.

"I don't know what Section 47 is. How am I going to vote to add a paragraph to a section I don't know anything about."
